DETAILED ACTION

Response to Amendment

Applicant's amendment filed September 23, 2003 has been received. The amended claims 1-6 and 9-11 are now allowable.

However, a formal matter has been discovered during the review of the instant application which needs correction before the application can be allowed. The instant application is not in sequence compliance for the reasons in the attached print out of the Raw Sequence Listing. In order to correct this, a new CRF (computer readable form) of the Sequence Listing, a new paper copy of the Sequence Listing, and a statement indicating that the paper copy and the computer copy are the same and include no new matter are required. The Office would like to apologize for not informing Applicant of this issue earlier.

This application is in condition for allowance except for the following formal matters:

Sequence Compliance of the Application as noted above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
